To,

Date-01-Aug-2026

The Hon'ble President of India,
New Delhi.

Madam,

Sub: Importance of Structural Reforms in Elections Conducting & Maintenance in India

I am Naveen, writing to you, This letter Emphasizing the Real and Practical Conducting of General Elections at various levels in India. Please considers the Below Important Points for which Actual & systematic management of General Elections are Crucial for a Developing Nation.

1) All Highly Developed Countries, looking keenly into, A fair and True Conduct of General Elections, To give them a chance, by Investing for a Numerious Developments as well, Their Way of Running Businesses.

2) Since 1951, General Elections only, our Country India has seen a Tremendous, Developmental Factors & Scenarios in Multiple levels.

3) Again in the year 1990, Electoral Reforms by the Model Code of Conduct By T.N. Seshan, witnessed I.T Revolution and opened New Gates to West side of The World.

4) Make sure Every Citizen should gets a Unique Voter Id card and should Involve in Polling Coducted by E.C.I.

5) Transperent and Fair cum Real Conducting of Elections, only makes us a Developed Nation, And as we see Various Parts of our Country facing much Difficulties, All These Problems can be solved, only by strict and Free Voting Management.

6) For 10th (+2) to Post-Graduate Colleges, Universities, Make Sure All Students shall involve in Mock General Election Conducting and Process Involved.

Thanking You

Naveen
